TAMPA, Fla. – March 2, 2009 – [Syniverse Technologies](#) (NYSE:SVR), a leading provider of technology and business solutions for the global telecommunications industry, announced today that it will be speaking with investors at four upcoming events.

CFO David Hitchcock will speak at the Raymond James 31st Annual Institutional Investors Conference on March 8 from 7:30 to 8:05 a.m. ET. The conference will take place at the JW Marriott Grande Lakes in Orlando, Fla., and the session will be available via a live webcast at <http://www.wsw.com/webcast/rj54/svr>.

In addition, Hitchcock will give a presentation at the Jefferies Fourth Annual Global Technology Conference on March 10 from 9 to 9:30 a.m. ET. Interested parties can listen to the session only via a live webcast available at <http://www.wsw.com/webcast/jeff42/svr/>.

Hitchcock also will speak at the Eighth Annual Wedbush Securities New York MAC: Management Access Conference on March 11 from 11 to 11:55 a.m. ET. The conference will take place at the Le Parker Meridien New York and will be available via a live webcast at <http://www.wsw.com/webcast/wedbush12/svr/>.

Finally, Hitchcock will present at the Barclays Capital High Yield Bond and Syndicated Loan Conference on March 25 from 5:25 to 6 p.m. MST. The conference will take place at the Arizona Biltmore in Phoenix, Ariz., and will be available via a live webcast at <http://www.syniverse.com/investorevents>.

About Syniverse

Syniverse Technologies (NYSE:SVR) provides mobile technology for the global telecommunications industry, making it possible for disparate data, messaging and voice technologies to interoperate anywhere, any time. Serving more than 800 communications companies in over 160 countries, Syniverse offers market-leading solutions that simplify the complexities of roaming, messaging, network interoperability and business intelligence for mobile operators, MSOs, enterprise verticals and emerging mobile providers.
